## President's Message

Hello Everyone,

The weather is changing; winter will be here soon; the ground will be too frozen to dig; so get your detecting in now while the digging is still good.

A big thank you goes out to Marlo Peterson and Denis Andelin for their wonderful presentation on marbles and tops. This was a great evening and hopefully everyone was able to find some great replacements for any of their missing marbles.

This month, in celebration of our 2015 NUTS club medal design, honoring the Utah Fire Fighters Museum, we will actually be having our meeting at the museum in Grantsville, Utah (see attached directions).

We will be having all the same parts of the meeting (i.e. finds of the month and raffle). A curator for the museum will be our speaker.

Our treats will provided by Johnny Gallegos and a feature item by Eldon Farnsworth.

We look forward to seeing you out to this great evening of support to all Utah Fire Fighters.

Todd Monson

Directions: On highway 36 turn West on to Erda Way. Then turn South on to Sheep Ln. and pass the Miller Motorsports Park. Then immediately turn West afterwards. The Firefighter Museum is Northwest of the Deseret Peak Complex. Please try to allow enough time to arrive early.
